Sir,

SUBJECT - Extending the time limit for the receipt of applications for sites in the Industrial Suburb

With reference to the correspondence ending with your letter No L 105-26 dated 30th Dec 47 approving of the extension of time limit for receiving applications for sites in the Industrial Suburb from the public up to the end of November 1947, I have the honour to state that so many as 644 application forms were issued to the public up to 1-12-47 on requisition and on payment of the prescribed fee of ~~XXX~~ Rs 2/- for each application form Of these, 400 application forms were received back in the office duly filled in by the applicants up to 1-12-1947 Subsequent to 1-12-47 up-to-date, 20 applications have been received both by post and in person They are registered separately and kept It is likely that many more applications may be received if the time for the receipt of applications is suitably extended

2 Moreover, the area covered by the applications so far received i e , up to 1-12-47 is only 580 acres There is still a large extent available for disposal in the area

3 The question of extending the time limit for the receipt of applications was placed before the Board at its meeting held on 22-12-47 The members were of the view that there could be no harm in receiving further applicatio and that there need be no time limit fixed for the receipt of such applications

4 I accordingly request that as opined by the Board, approval of Government may kindly be obtained to the receipt of further applications for sites in the Industrial

Suburb without fixing any time limit

I have the honour to be,
S i r,
Your most obedient servant,

CHAIRMAN
